SHIRTS

BUSINESS shirt

MC2814N0

MATERIALS
65% polyester, 35% cotton.

WEIGHT
110 g/m²

FEATURES
Made with polycotton fabric, this work shirt combines comfort and durability, ideal for daily use in professional environments. The high percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising strength and mechanical durability. The long-sleeve design ensures full coverage, while the French collar with stays adds a touch of sophistication and structure. The left chest pocket adds practicality. The double-button cuff allows for adjustable wrist closure. This work shirt is perfect for wearing both tucked in and untucked.
