TECHNICAL SHEET

SHIRTS

Shirt TERITAL-COTton long sleeve

MC2819A9

MATERIALS

Terital cotton, 65% polyester and 35% cotton, sanforized.

WEIGHT

140 g/m²

FEATURES

A work shirt made from Terital/Cotton fabric ensures resistance to washing, easy ironing, and a pleasant feel on the skin. The material is designed to maintain its shape over time, offering a consistently neat appearance. The cotton content, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. This long-sleeved shirt is designed to ensure protection and comfort during work activities. The chest pocket, closed with a flap and button, offers practicality and security, allowing small items or tools to be stored without risk of falling out. Constructed from robust materials, it ensures a comfortable fit and a neat appearance, ideal for professional and operational environments.
