TECHNICAL SHEET

SUMMER KNITWEAR

SIRFLEX t-shirt

MC3012Q7

MATERIALS

Jersey 100% combed cotton. (only for colour variant E2 - neon yellow: 65% polyester, 35% cotton)

WEIGHT

140 g/m²

FEATURES

Work T-shirt made from 100% combed cotton jersey, a soft, breathable, and pleasant-to-the-touch fabric, ideal for ensuring comfort throughout the day. Combed cotton, thanks to a processing method that removes shorter fibers, offers a smoother, more uniform, and more durable surface over time. The ribbed knit collar ensures an elastic and stable fit, maintaining its shape even after numerous washes. The high-strength side seams are designed for enhanced durability, preventing deformation and ensuring a solid structure even with intensive use.

DETAILS

- Knit collar for an ergonomic and stable fit;
- High-strength side seams for increased strength and durability.
