TECHNICAL SHEET

SUMMER KNITWEAR

HARD ROCK polo shirt

MC3013PB

MATERIALS

97% combed cotton jersey and 3% spandex.

WEIGHT

200 g/m²

FEATURES

Work polo shirt made from combed cotton jersey with an addition of spandex, a combination that guarantees softness, breathability, and elasticity, ideal for those seeking a comfortable and dynamic garment. Combed cotton offers a smooth and durable surface, while spandex ensures a flexible and snug fit. The two-button collar provides a classic and versatile look, suitable for both professional and informal settings. Contrasting inserts on the collar, shoulders, and sleeves add a modern and sporty touch, enhancing the design and giving the garment personality. The stretch knit effect improves freedom of movement and shape retention, making the polo shirt ideal for active daily wear, without sacrificing style.
