TECHNICAL SHEET

SUMMER KNITWEAR

PIQUET polo shirt long sleeve

MC3016CA

MATERIALS

Piqué honeycomb 100% cotton. (For the sole color variant BM - GREY MELANGE: 85% cotton, 15% viscose)

WEIGHT

200 g/m²

FEATURES

Long-sleeved work polo shirt made from 100% honeycomb piqué cotton, a weave that ensures excellent breathability, durability, and comfort, ideal for daily use in professional environments. The collar with three matching buttons provides a smart and refined appearance, perfect for a professional look. Taped neck seams improve the internal finish, increasing comfort and garment longevity. The cuffs, made of elasticated rib-knit, ensure a snug yet comfortable fit, maintaining their shape even after numerous washes. Double stitching on the shoulders and armholes reinforces high-stress areas, guaranteeing enhanced wear resistance. Finally, the silicone treatment gives the fabric superior softness and color vibrancy, keeping the polo fresh and pleasant to the touch even after numerous washes.

DETAILS

- Three-button closure in matching colour, providing a neat and understated look;
- Taped neck seams, enhancing interior finishes and increasing garment durability;
- Elasticated rib-knit cuffs, for a secure hold and an ergonomic fit;
- Double stitching on shoulders and armholes, for increased strength and durability;
- Silicone treatment, for color vibrancy and a soft feel.
