TECHNICAL SHEET

SUMMER KNITWEAR

LUNA polo shirt

MC3017QE

MATERIALS

Pique honeycomb. 100% cotton.

WEIGHT

200 g/m²

FEATURES

Work polo shirt made from honeycomb piqué, a honeycomb weave that ensures excellent breathability, durability, and comfort, ideal for daily use in professional or informal environments. The collar with two matching buttons gives an understated and versatile look, while the taped neck seams improve the internal finish, offering greater comfort and durability over time. The contrast color inserts on the collar, shoulders, and sleeve cuffs add a modern and sporty touch, enhancing the design and giving personality to the garment. The silicone treatment applied to the fabric ensures maximum color vibrancy and superior softness, making the polo pleasant to wear and visually well-maintained even after numerous washes.

DETAILS

- Two-button collar for a versatile and neat look;
- Taped neck seams, enhances interior finish and increases garment durability;
- Side panels, collar, and sleeve cuffs in contrasting color;
- Silicone treatment, for maximum shine and softness.
