TECHNICAL SHEET

SUMMER KNITWEAR

SALSA polo shirt

MC3019AB

MATERIALS
Pique honeycomb. 100% cotton.

WEIGHT
200 g/m²

FEATURES
Work polo shirt made from honeycomb piqué, a honeycomb weave that ensures excellent breathability, durability, and comfort, ideal for daily use in professional or informal settings. The two-button collar with internal neck tape offers a neat finish and a stable fit, while double stitching on the armholes and shoulders reinforces the most stressed areas, ensuring greater longevity. The double contrasting piping on the collar and sleeves adds a distinctive and modern touch, enhancing the polo's design with an elegant and dynamic graphic detail. Thanks to the silicone treatment, the fabric maintains an intense brightness and superior softness, making the garment pleasant to wear and visually impeccable even after numerous washes.

DETAILS
- Two-button collar, for a versatile and neat look
- Taped neck seams, improves internal finishing, increasing garment durability;
- Double-stitching on armholes and shoulders, for enhanced durability and wear resistance;
- Double piping on collar and cuffs in contrasting colors, for a distinctive and modern style;
- Silicone treatment, for vibrant color and a soft feel.
