

SUMMER KNITWEAR

GREY MOON t-shirt

MC3033

MATERIALS

100% cotton. Contrast color inserts: 50% polyester, 50% cotton.

GRAMMAGE

150 g/m²

FEATURES

T-shirt with bright yellow fabric inserts and a two-tone design that combines practicality, style, and the natural breathability of cotton. The ribbed collar ensures comfort and durability, ideal for daily use in professional environments. The heat-sealed and segmented reflective bands adapt optimally to body movements, offering greater comfort and freedom of movement.

DETAILS

- Fabric with contrast color, yellow on shoulders, grey on sides;
- Rib-knit collar, for a comfortable and practical fit.

REFLEX

Reflective heat-sealed and segmented bands on sleeve side and waist side.
