

TECHNICAL SHEET

COOL TOUCH SERIES

PRIME t-shirt

MC3035Q5

MATERIALS

88% Nylon 12% Elastane

GRAMMAGE

163 g/m²

FEATURES

T-shirt with an essential and functional design, with an extraordinarily soft feel, made with a 2 cm high crew neck for a stable and neat fit. The side seams on the sides ensure better ergonomics and superior comfort during daily use, while the reinforced seams on shoulders and armholes increase the garment's resistance in high-stress areas, ensuring durability and reliability over time. Ideal for use in high temperatures, it promotes freshness and comfort even during intense and prolonged activities.

DETAILS

- 2 cm high crew neck T-shirt, offers a more stable fit and better neck protection, maintaining a clean and professional look;
- Side seams at the hips, improve the ergonomic fit of the garment, ensuring greater comfort and freedom of movement;
- Reinforced seams on shoulders and armholes, increase the garment's resistance in areas of greatest stress, ensuring durability and reliability over time.

REFLEX

Reflective heat-sealed details.
