SUMMER KNITWEAR

Poloshirt long sleeve ladies

MC3091Q7

FEATURES

Women's long-sleeved work polo shirt, made from 100% honeycomb pique cotton, a honeycomb knit that ensures excellent breathability, durability, and comfort, ideal for daily use in professional environments. The collar with three matching buttons provides a smart and polished look, perfect for a professional appearance. Taped neck seams improve the internal finish, enhancing comfort and the garment's durability. Elasticated knit cuffs ensure a snug yet comfortable fit, maintaining their shape even after numerous washes. Double stitching on shoulders and armholes reinforces high-stress areas, ensuring increased resistance to wear and tear. Finally, the silicone treatment imparts superior softness and color vibrancy to the fabric, keeping the polo shirt fresh and pleasant to the touch even after numerous washes.
