TECHNICAL SHEET

SUMMER KNITWEAR

SIRFLEX ladies' t-shirt

MC3093Q2

FEATURES

Women's work t-shirt, made from 100% combed cotton jersey, a soft, breathable, and pleasant-to-the-touch fabric, ideal for ensuring all-day comfort. Combed cotton, thanks to a manufacturing process that removes shorter fibers, offers a smoother, more uniform, and more durable surface over time. The ribbed collar ensures an elastic and stable fit, maintaining its shape even after numerous washes. The high-resistance side seams are designed to offer greater durability, preventing deformation and ensuring a solid structure even under intensive use.

DETAILS

- Knit collar for an ergonomic and stable fit;
- High-strength side seams for increased strength and durability.

MAINTENANCE

Please follow the recommended washing instructions.
