TECHNICAL SHEET

SUMMER KNITWEAR

SIRFLEX ladies' l/sleeved shirt

MC3094Q5

FEATURES

Long-sleeved work shirt made of 100% combed cotton jersey, a soft, breathable, and pleasant-to-the-touch fabric, ideal for ensuring comfort throughout the day. Combed cotton, thanks to the manufacturing process that eliminates shorter fibers, offers a smoother, more uniform, and more durable surface over time. The ribbed collar ensures an elastic and stable fit, maintaining its shape even after numerous washes. The high-strength side seams are designed to offer greater durability, preventing deformations and ensuring a solid structure even under intensive use conditions.

DETAILS

- Knit collar for an ergonomic and stable fit;
- High-strength side seams for increased strength and durability.
