SUMMER KNITWEAR

SIRFLEX ladies' polo shirt

MC3095Q7

FEATURES

Women's work polo shirt, made from 100% honeycomb piqué cotton, a honeycomb weave that ensures excellent breathability, durability, and comfort, ideal for daily use in professional environments. The collar with three matching buttons provides a smart and polished appearance, perfect for a professional look. Taped neck seams improve the internal finish, increasing comfort and garment durability. The ribbed sleeve cuff offers a stable and neat fit, maintaining its shape over time without being overly restrictive. Double stitching on the shoulders and armholes reinforces high-stress areas, ensuring enhanced durability. Finally, the silicone treatment gives the fabric superior softness and enhanced color vibrancy, keeping the polo shirt fresh and pleasant to the touch even after numerous washes.

DETAILS

- Three-button closure in matching colours, for a neat and understated look;
- Taped neck seam, improving internal finishing and increasing garment durability;
- Ribbed cuffs, for a stable fit that retains its shape over time;
- Double stitching on shoulders and armholes, for increased strength and durability;
- Silicone treatment, for color brilliance and a soft feel.
