TECHNICAL SHEET

WINTER KNITWEAR

OLYMPIC sweatshirt

MC3120Q7

MATERIALS
100% cotton

WEIGHT
330 g/m²

FEATURES
Work sweatshirt made of cotton, it ensures softness, breathability, and comfort throughout the day, ideal for professional or daily use. The windproof high collar is designed to offer effective protection against the elements, retaining warmth even in the harshest weather conditions. The inner collar, featuring a contrasting fabric sweat-wicking insert, improves the finish and comfort, preventing chafing and increasing the garment's durability. The hand-warmer pockets offer practicality and protection from the cold, perfect for storing small items or for functional use during work. The cuffs and waist, made of elasticated rib-knit, ensure a snug and stable fit, maintaining their shape over time. The chain-stitch seams in a contrasting color add a modern and dynamic aesthetic touch, enhancing the sweatshirt's technical design and highlighting the attention to detail.
