

WINTER KNITWEAR

**SIRFLEX round neck sweatshirt**

**MC3122K1**

**MATERIALS**

50% cotton, 50% polyester.

**GRAMMAGE**

280 g/m<sup>2</sup>

**FEATURES**

Work sweatshirt made of polycotton, ensuring softness, breathability, and durability, ideal for daily use in professional environments. The high percentage of cotton, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising its robustness and mechanical resistance. The round neck model is finished with an internal contrasting fabric sweatband, which enhances the interior finish and adds a distinctive aesthetic detail. The elasticated rib-knit cuffs and waist ensure a stable and comfortable fit, maintaining the garment's shape over time. Contrasting chain stitching reinforces the seams and adds a modern graphic touch, enhancing the sweatshirt's technical design and highlighting attention to detail.
