TECHNICAL SHEET

WINTER KNITWEAR

KANGOO sweatshirt

MC3126Q5

MATERIALS
50% cotton, 50% polyester

WEIGHT
300 g/m²

FEATURES
Work sweatshirt made of polycotton, ensuring softness, breathability, and durability, ideal for daily use in professional environments. The high percentage of cotton, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The adjustable drawstring hood ensures a personalized fit, while the 7 cm high collar adds an extra layer of protection against wind and low temperatures. The design is enhanced by large hand-warmer pockets, perfect for protecting hands from the cold or for storing small items. The elasticated rib-knit cuffs and waistband ensure a perfect fit and retain body heat, without sacrificing freedom of movement. The contrasting chain stitching adds a dynamic and modern touch.

DETAILS
- Hood with drawstring, to protect exposed body parts even in adverse weather conditions;
- 7 cm raised collar, for greater protection of the front neck area;
- Large hand-warmer pockets, for increased thermal comfort;
- Elasticated knit cuffs and waist, for an ergonomic and stable fit;
- Chain-stitch seams in a contrasting color.

CLOSING
Zip.
