TECHNICAL SHEET

WINTER KNITWEAR

COMFORT fleece

MC3128Q5

MATERIALS
Technical fabric, 100% polyester micropile with high compactness, 144 filaments.

WEIGHT
310 g/m²

FEATURES
This work fleece is made from a highly compact technical fabric, designed to ensure excellent thermal performance and wear resistance, while maintaining an ergonomic and comfortable fit. The garment features a practical and discreet chest pocket, ideal for storing small items, and a central zipper closure in a contrasting color, which adds a modern and dynamic touch to the design. The side pockets offer additional functionality and comfort, perfect for warming hands or storing accessories. The cuffs and hem, made from stretch knit fabric, ensure a snug and stable fit, helping to retain body heat and improve freedom of movement.

DETAILS
- Chest pocket and central zipper closure in a contrasting color.
- Side pockets for storing small everyday items.
- Elasticated knit cuffs and hem for an ergonomic and stable fit.

CLOSING
Full contrasting zipper

REFLEX
Reflective inserts on sleeves, lower rear part.
