TECHNICAL SHEET

WINTER KNITWEAR

VICTORY MICROFLEECE

MC3129Z9

MATERIALS

100% polyester high-density fleece fabric, 144 filaments.

WEIGHT

230 g/m², 260 g/m² in the P7 and K1 colour variants.

FEATURES

Made from brushed microfleece, this garment offers excellent thermal insulation, lightness, and comfort, ideal for tackling colder days in work environments or outdoors. The zip-up collar allows for convenient temperature adjustment and adds functionality to the design. Full-length zip in K1-white and P7-blue colour variants. The chest pocket with a concealed zipper is designed to securely store small items, making the garment functional. The adjustable drawstring waist allows the garment's fit to be adjusted to the body, improving protection from wind and cold. Contrasting trim adds a modern and dynamic aesthetic, enhancing the technical design of the fleece.

DETAILS

- Brushed microfleece with zip-closure collar, for increased protection of the anterior cervical area. Full-length zip in K1-white and P7-blue colour variants;
- Chest pocket with covered zipper closure, for storing small everyday items;
- Drawstring waist, for an ergonomic fit;
- Contrast trim.

CLOSING

Full-length zip in K1-white and P7-blue colour variants.
