

TECHNICAL SHEET

WINTER KNITWEAR

VICTORY MICROFLEECE

MC3129

MATERIALS

100% polyester high-density fleece fabric, 144 filaments.

GRAMMAGE

230 g/m²

FEATURES

Made from brushed microfleece, this garment offers excellent thermal insulation, lightness, and comfort, ideal for tackling colder days in work environments or outdoors. The zip-up collar allows for convenient temperature adjustment and adds functionality to the design. The chest pocket with a concealed zipper is designed to securely store small items, making the garment functional. The adjustable drawstring waist allows the garment's fit to be adjusted to the body, improving protection from wind and cold. Contrasting trim adds a modern and dynamic aesthetic, enhancing the technical design of the fleece.
