TECHNICAL SHEET

WINTER KNITWEAR

ZARA polo shirt

MC3135L5

MATERIALS
60% cotton, 40% polyester.

WEIGHT
280 g/m²

FEATURES
Polycotton work polo shirt, designed to combine comfort, functionality, and style in a durable and practical garment. The presence of a high percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The zippered collar offers an adjustable fit and additional protection in the front cervical area. The chest pocket with a flap and Velcro closure adds practicality to the garment, ideal for storing small items. The side vents at the bottom ensure greater freedom of movement and comfort during activity. The contrast bartacks on the collar zipper and on the pocket add a distinctive and modern aesthetic detail. The elasticated cuffs ensure a secure fit and comfort during movement.
