TECHNICAL SHEET

WINTER KNITWEAR

BIG POCKET sweatshirt

MC3140Q5

MATERIALS
Double jersey interlock 69% cotton and 31% polyester.

WEIGHT
350 g/m²

FEATURES
A sweatshirt with a minimal and modern design, ideal for year-round use thanks to its versatility and the comfort offered by the fabric. Made from compact double jersey interlock, it guarantees good protection from the cold in winter months, while maintaining a light and breathable fit for milder seasons. The 3 pockets make it functional and practical, allowing essential tools and items to always be within reach during work. The reflective inserts on the zip that closes the large chest pocket contribute to increasing the garment's visibility. The contrasting bartacks on the collar zip and the small pocket add a distinctive and contemporary aesthetic detail.

DETAILS
• Large zippered pocket on the left side, with a heat-sealed reflective profile, for increased visibility in low-light conditions. Inside, there is a badge holder and two document compartments, ideal for organizing work accessories;

• Two lower welt pockets, for storing small everyday items.

CLOSING
Contrasting color zip.
