

Name: MOLESKIN sweatshirt	Code: MC3150Q7	MC31 CLOTHING - WINTER KNITWEAR
----------------------------------	-----------------------	--

Description

FABRIC: Melange jersey 92% polyester, 8% spandex, weight 220 g/m

- Collar with zip closure, for protection of the cervical area;
- Reflective inserts on the zip;
- Contrast stitching.

Work sweatshirt made of jersey fabric, with a percentage of stretch fabric that promotes freedom of movement, allowing dynamic postures to be adopted during work activities. The fabric is lightweight, soft and smooth to the touch, ensuring exceptional comfort during use. It also has excellent thermal insulation properties.

The zip-up collar offers greater operational safety and a clean finish, as well as extra protection for the front of the neck. The reflective inserts on the zip increase the operator's visibility, improving safety during work activities.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.

The product is under review.
