

COOL TOUCH SERIES

MOLESKIN sweatshirt

MC3150

MATERIALS

Jersey mélange 92% polyester, 8% spandex

GRAMMAGE

220 g/m²

FEATURES

Work sweatshirt made of jersey fabric, with a percentage of stretch fabric that promotes freedom of movement, allowing for dynamic postures during work activities. The fabric is lightweight, soft, and smooth to the touch, ensuring exceptional comfort during use. It also features excellent thermal insulation properties. The zip-fastened collar offers greater operational safety and a clean finish, as well as extra protection for the front of the cervical area. Reflective inserts on the zip increase the operator's visibility, improving safety during work activities.
