### Description

Trousers in 65% polyester, 35% cotton, 245 g/m . Fly with zipper and button, front welt pockets and back pocket with flap and Velcro.

THE TROUSERS MUST BE WORN IN COMBINATION WITH THE JACKET.

- It offers limited protection against chemical products even though it is non liquid-proof.
- Its compactness makes it suitable for use in many situations.
- It is recommended for low risk conditions.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
