Name: CHEMFOR COVERALL 8100	Code: MC3440K1	MC34 CHEMICAL PROTECTION DISPOSABLE CLOTHING
------------------------------------	-----------------------	---

Description

Tear resistant, mechanical protection coverall in polypropylene coated with a breathable microporous film, offering protection from dust and partially against liquids. It features a central zipper closure with flap and elastic hood, cuffs, waistband and ankles.

- Made of soft and resistant material
- High protection, resistant and breathable
- Resistant to splashes, including inorganic liquids and fine dusts
- Antistatic treatment
- Hygienic, because it does not lose fibres.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
