

HIGH VISIBILITY CLOTHING

MISTRAL bib-trousers

MC3523

MATERIALS

Mistral 55% cotton and 45% polyester.

GRAMMAGE

245 g/m²

FEATURES

Work bib-trousers made of polycotton, with a high percentage of cotton that ensures natural thermoregulation. The fabric helps maintain body thermal balance, reducing the impact of environmental variations thanks to cotton's ability to interact with the internal microclimate. It is the summer version of our certified High-Visibility garments. The fabric surface enhances liquid and dirt repellent properties. Certified Class 2 for high visibility, it ensures a medium-high level of visibility both in daylight and nighttime conditions, even in the presence of artificial lighting such as vehicle headlights. The 5 pockets make it extremely functional and practical, allowing you to always have essential tools and items at hand during work. The elasticated shoulder straps allow for high freedom of movement for the operator during work activities. Integrated rear kidney protector for greater protection of the lumbar area. The reflective bands applied to the bottom of the leg further increase the garment's visibility. Double stitching ensures greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions. The garment is certified to maintain its safety and high visibility characteristics for up to 50 wash cycles, ensuring consistent performance over time.

DETAILS

- Elasticated suspenders with quick-release fasteners, for a secure, comfortable, and easily adjustable fit;
- Bib patch pocket, closed with a flap and velcro, allows for storing bulkier items without the risk of them falling out;
- 2 patch pockets with side entry, to ensure quick and convenient access to smaller items;
- Ruler pocket on the right;
- Back pocket closed with a flap and velcro;
- Rear kidney protection, for additional protection of the lumbar area;

- Double stitching in high-wear areas, for increased garment durability.

CLOSING

Waist with buttons.

REFLEX

Double sewn reflective bands.
