TECHNICAL SHEET

SUMMER HIGH-VISIBILITY CLOTHING

High visibility cap

MC3530E1

MATERIALS

100% polyester

FEATURES

Cap made from lightweight, durable, and easy-care material, ideal for daily and prolonged use. The curved brim offers effective sun protection and gives the model a sporty and dynamic look. It features a reflective band, which improves visibility in low-light conditions, making it perfect for outdoor or work activities that require increased safety. The adjustable Velcro strap allows for a personalized and stable fit, suitable for any head size. A practical, comfortable, and functional accessory, designed for those who seek comfort without sacrificing safety and style.

MAINTENANCE

Follow the recommended washing instructions.

DETAILS

- Curved visor, better protecting the eyes from direct light and improving visibility during outdoor activities;
