TECHNICAL SHEET

HIGH-VISIBILITY WINTER CLOTHING

Hi-vis beanie

MC3535E1

MATERIALS

100% acrylic

FEATURES

High-visibility beanie made from 100% acrylic yarn, a warm, lightweight, and durable material, ideal for tackling low temperatures while always maintaining an excellent level of comfort. Thanks to its soft and enveloping structure, it offers a comfortable and stable fit, suitable for daily and professional use. The high-visibility color contributes to improving user safety in low-light conditions, making the beanie an indispensable accessory for those who work outdoors or in environments where it is required to be easily recognizable.
