TECHNICAL SHEET

HIGH VISIBILITY CLOTHING

VELVET bib-trousers

MC3617H1

MATERIALS
Velvet fustian 60% cotton and 40% polyester.

WEIGHT
350 g/m²

FEATURES
Work bib-trousers made of polycotton, with a high percentage of cotton that ensures natural thermoregulation. The fabric contributes to maintaining the body's thermal balance, reducing the impact of environmental variations thanks to cotton's ability to interact with the internal microclimate. It is the winter version of our certified High-Visibility garments. The fabric offers thermal comfort, tenacity, and robustness, combined with excellent wash durability. Certified Class 2 for high visibility, it ensures a medium-high level of visibility in both daylight and nighttime conditions, even in the presence of artificial lighting such as vehicle headlights. The 5 pockets make it extremely functional and practical, allowing essential tools and objects to always be within reach during work. The elasticated shoulder straps allow the operator a high degree of freedom of movement during work activities. An integrated rear panel provides enhanced lumbar protection. Reflective bands applied to the leg bottoms further increase the garment's visibility. Double stitching ensures greater mechanical resistance and long-term durability, making the garment reliable even under intensive use conditions. The garment is certified to maintain its safety and high-visibility characteristics for up to 50 wash cycles, ensuring consistent performance over time.

DETAILS
- Elasticated suspenders with quick-release fasteners, for a secure, comfortable, and easily adjustable fit;
- Bib pocket closed by flap and Velcro, allows storing bulkier items without the risk of them falling out;
- 2 patch pockets with side entry, to ensure quick and convenient access to smaller items;
- Ruler pocket on the right;
- Back pocket closed by flap and Velcro;
- Rear lumbar protection, for additional protection of the lumbar area;
- Double stitching in areas most subject to wear, for increased garment durability;

CLOSING
Waist with buttons.

REFLEX
Double sewn reflective bands.

AVAILABLE COLOURS
E1 - HI-VIS YELLOW

H1 - HI-VIS ORANGE
