

## TECHNICAL SHEET

### HIGH VISIBILITY CLOTHING

## MAX CONFORT polo shirt

**MC3815**

#### MATERIALS

55% cotton, 45% polyester

#### GRAMMAGE

175 g/m²

#### FEATURES

Work polo shirt, with long sleeves, designed to offer comfort and protection during work activities. Thanks to the cotton percentage, it guarantees excellent breathability, in addition to maintaining body thermal balance, reducing the impact of environmental variations thanks to cotton's ability to interact with the internal microclimate. Certified Class 3 for high visibility, it guarantees the maximum level of visibility both in daytime and nighttime light conditions, even in the presence of artificial lighting such as vehicle headlights. The reflective bands applied to the torso and sleeves further increase the garment's visibility. Collar and cuffs in contrasting fabric; elasticated cuffs for an ergonomic closure that contributes to thermal comfort.

#### FIELDS OF USE

- > Construction - road works
- > Logistics
