

RAINWEAR

OXFORD GLAMOUR trousers

MC4015

MATERIALS

100% polyester Oxford 300 D heat-sealed PU coated.

GRAMMAGE

180 g/m²

FEATURES

Work trousers designed to offer total protection from rain and wind, while maintaining high breathability. Made of Wonderflex fabric, composed of a polyurethane layer on a polyester base, it guarantees complete waterproofing without sacrificing comfort. Its elastic and flexible structure promotes freedom of movement and dynamism, making it ideal for those who work in adverse weather conditions. Extremely resistant to wear and tear, the trousers are designed to last over time even in demanding work environments. The fabric has anti-acid properties, is resistant to petrol and can be machine washed, ensuring practicality and safety. An indispensable garment for those seeking protection, comfort, and reliability in every situation. The PU coating makes it waterproof and wind-resistant, without compromising flexibility. Certified in class 3 for high visibility, the garment guarantees the maximum level of visibility in daytime and nighttime light conditions, even in the presence of artificial lighting such as vehicle headlights. The reflective bands applied to the bottom of the legs further increase the garment's visibility. The fit is optimized thanks to the elastic waistband, while the hand-access openings at the hips allow easy access to the underlying layer. The ankle fasteners with snap buttons allow the garment to be adapted to the operator's needs, ensuring protection and practicality in every situation.

DETAILS

- Elasticated waistband, for an ergonomic fit suitable for various body types;
- Hand access openings at the hips, allowing easy access to underlying layers;
- Ankle cuffs with snap buttons, ensuring a tight seal and optimal protection against external weather conditions.

CLOSING

Snap fasteners

REFLEX

Double reflective strips sewn at the hem.

IMPORTANT

The trousers are certified in combination with the Oxford Glamour jacket MC4012.
