

WEATHERPROOF HIGH-VISIBILITY GARMENTS

IVALO trousers

MC4118

MATERIALS

Clipper-TEX bilaminated supersoft 100% polyester fabric

FEATURES

Work trousers designed to offer total protection from rain and wind, while maintaining high breathability. Its structure promotes freedom of movement and dynamism, making it ideal for those who work in adverse weather conditions. Certified in class 2 for high visibility, the garment guarantees a medium-high level of visibility in daytime and nighttime light conditions, even in the presence of artificial lighting such as vehicle headlights. The reflective bands are strategically positioned on the lower leg. It protects from rain, snow, fog and ground moisture, guaranteeing a real barrier against the elements without compromising comfort and breathability. The elastic waistband provides an ergonomic fit, suitable for different body types.

DETAILS

- Elastic waistband, for an ergonomic fit adaptable to various body types;
- Zippered side pass-through openings, allowing easy access to underlying layers;
- Rear pocket, offering additional, easily accessible space for storing useful items during work or travel;
- Heat-sealed seams ensure a complete barrier against water and infiltration, increasing the garment's waterproofing and durability.

CLOSING

Covered zip

REFLEX

Reflective bands on leg bottoms.
