TECHNICAL SHEET

WINTER KNITWEAR

DIRECTOR blouson

MC4216T4

MATERIALS

Polyester jersey laminated with fleece, with windproof stretch Softshell inserts.

WEIGHT

380 g/m²

FEATURES

Work blouson made of laminated polyester knit with a fleece backing, designed to ensure comfort, protection, and durability in dynamic environments. Its modern and technical design makes this blouson a versatile choice for various work situations, combining style and functionality. Windproof stretch softshell inserts, strategically placed on the shoulders, sleeves, cuffs, hem, and back panel, ensure greater durability and protection against inclement weather, without compromising freedom of movement. The 2 pockets make it functional and practical, allowing essential tools and items to always be within reach during work. The hem and cuffs with elasticated trim offer an ergonomic, practical, and comfortable fit.

DETAILS

- Low zippered pockets in a contrasting color, for storing small everyday items without the risk of them falling out;
- Hem and cuffs with elasticated profiles, for an ergonomic and stable fit;
- Back panel in elasticated windproof Softshell, for increased thermal comfort.

CLOSING

Zip.
