

MULTI-FUNCTIONAL THERMAL GARMENTS

POLICE jacket

MC4721

MATERIALS

100% polyester Pongee PVC coated.

GRAMMAGE

190 g/m², padding 180 g/m²

FEATURES

Work jacket, 4-in-1 model, waterproof and windproof, designed to ensure complete waterproofing and withstand particularly adverse weather conditions. Thanks to its modular structure, it offers unique versatility: the detachable sleeves and hood allow the garment to be adapted to different needs, the outer jacket ensures waterproofing and resistance to weather elements, while the quilted inner jacket ensures warmth and comfort, transforming the product into a perfect solution for every season. The two jackets can be worn separately or together, ensuring protection and comfort in every season. The fourth option is the possibility of wearing the garment as a vest, thanks to the detachable sleeves of the inner jacket, ideal for milder days or for activities requiring greater freedom of movement. Thanks to its waterproofing and breathability properties, it offers extremely effective protection in adverse weather conditions. The outer jacket features a retractable hood with a drawstring. The 4 pockets, including two hand warmers, make it functional and practical, allowing essential tools and items to always be within reach during work. The reflective bands around the arms, chest, and bottom of the jacket increase the operator's visibility. The waist drawstring adjusts the fit, and the adjustable cuffs with snap buttons offer optimal protection and constant thermal comfort. The inner jacket, quilted and detachable with buttons, is designed to offer thermal insulation and comfort. It features detachable sleeves with a zipper, 3 pockets, including one internal, and elasticated knit windproof cuffs, which ensure effective sealing against the cold. This garment represents the ideal solution for those seeking protection, practicality, and versatility, without sacrificing comfort and functionality in any weather condition.

DETAILS

Outer jacket:

- Foldaway hood with drawstring, usable when needed to provide protection from weather elements;
- Chest pockets closed by flap and snap buttons, the right one with a pen holder and a cell phone pocket closed by velcro, the left one with a retractable badge holder. All the space you need for everyday items, from the smallest to the bulkiest;
- Lower hand-warmer pockets with an additional opening closed by flap and button, for a pleasant additional feeling of warmth;
- Waist drawstring, for an ergonomic fit adaptable to different body types;
- Adjustable cuffs with snap buttons for an ergonomic and stable fit.

Detachable quilted inner jacket via buttons:

- Sleeves detachable via zipper, allowing the jacket to be transformed into a vest when temperatures rise, ensuring comfort in every season;
- Side pockets;
- Internal pocket, for storing small valuables;
- Windproof cuffs in elasticated knit, prevent the entry of external weather elements and contribute to maintaining thermal comfort.

CLOSING

Zip with flap and snap fasteners.

REFLEX

Reflective bands around the arms and chest, and at the jacket hem.
