

## ACCESSORIES

**ALEXIS backpack****MC4920Z9****MATERIALS**

Lightweight nylon

**DIMENSIONS**

41x30x14 cm

**DETAILS**

- External storage net, allows quick access to frequently used items without opening the backpack;
- Various compartments, allow for neat and personalized organization of the contents;
- Zipper closures, ensure secure and protected storage of carried items;
- Side buckles, ensure better load stability and practical backpack adjustment.

**FEATURES**

Professional backpack designed to offer maximum functionality, organization, and ease of use. Equipped with an external storage net, it allows for quick transport of accessories and small tools always within reach. The multiple internal compartments allow for an organized management of contents, adapting to various operational needs. The zipper closures ensure safety and protection of items during transport, while the side buckles ensure better load stability and practical adjustment of the backpack. Ideal for daily use on construction sites, in workshops, and dynamic work environments.
