

ACCESSORIES

PACIFIC trolley 50 cm

MC4923QR

MATERIALS

NYLON

DIMENSIONS

Height 50 cm

DETAILS

- Three external pockets, for easy access to documents, accessories, or frequently used items;
- Two-way zipper closure, for quick and easy opening from both sides;
- Retractable trolley handle.

FEATURES

Trolley designed to offer practicality and organization during travel. It is equipped with three external pockets, perfect for keeping documents, accessories, or frequently used items close at hand, ensuring optimal organization. The double-slider zipper closure allows for quick and easy opening from both sides, improving accessibility to the internal contents and ensuring effective protection during transport. The retractable trolley system allows the handle to be extended only when necessary, making the luggage more compact when stored and facilitating its transport when traveling or at the workplace.
