

DISPOSABLE CLOTHING

POLIETIL sleeves (box 100 pcs)

MC5118

MATERIALS

Polyethylene

THICKNESS

0.2 mm

PACK

100 pieces

DETAILS

- Elastic on both sides, ensuring a stable and secure closure, preventing the entry of external agents;
- Length 40 cm, for effective forearm coverage.

FEATURES

Disposable protective sleeves made from polyethylene, a lightweight and waterproof material, ideal for ensuring hygiene and protection. Featuring elastics at both ends, they provide a secure and stable seal, preventing the passage of liquids and contaminants. Measuring 40 cm in length, they offer effective forearm coverage, while maintaining freedom of movement and comfort.
