DETAILS
- Not waterproof, ensuring breathability and a lightweight fit;
- Breathable, comfortable for extended wear.

FEATURES
Disposable polypropylene cap, designed for comfort and lightness during use. Made with lightweight and breathable material, it allows air circulation, preventing scalp overheating. As it is not waterproof, it is not designed to protect from water, but it is ideal for keeping hair contained. The elastic fabric ensures a secure fit without being tight, while its lightweight structure makes it comfortable even for extended use.
