TECHNICAL SHEET

APRONS

DELTA apron

MC5213L0

MATERIALS

TPU, Thermoplastic Polyurethane

THICKNESS

0.3 mm

DETAILS

- Adjustable back fastening for an ergonomic fit suitable for various body types;
- Dimensions 90x115 cm, effectively protecting a large area of the body on the front.

FEATURES

This apron is made of Thermoplastic Polyurethane, an innovative material that ensures total waterproofing, high mechanical strength, and flexibility, making it ideal for tasks requiring protection and comfort. The ergonomic design with adjustable back ties ensures a secure and personalized fit, while its dimensions offer complete body coverage on the front.
