TECHNICAL SHEET

APRONS

# PVC apron

## MC5216K0

### MATERIALS
PVC

### THICKNESS
0.2 mm

### DETAILS
Dimensions 90x115 cm, effectively protects a large area of the body, on the front.

### FEATURES
This apron is made of PVC, designed to provide effective protection against splashes and liquids. Constructed from durable and waterproof material, it ensures a secure and reliable barrier, keeping the body dry and clean during work activities. Its smooth surface allows for quick and easy cleaning, while the lightweight material ensures comfort even during prolonged use. The ergonomic design with adjustable back ties ensures a secure and personalized fit, while its dimensions offer full body coverage on the front.
