

LOW TEMPERATURE GARMENTS

OPERA QUARK bib-trousers

MC5333

MATERIALS

100% Nylon Oxford 420 D coated and Thinsulate 3M padding.

GRAMMAGE

150 g/m², padding 150 g/m²

FEATURES

Work bib-trousers specifically designed for refrigeration technicians, ensuring maximum thermal protection. They must be worn in combination with the matching jacket for working in environments with temperatures down to -45°C. Thanks to their technical construction, they provide optimal thermal insulation, helping to keep the body warm and dry, retaining body heat and promoting moisture wicking for prolonged comfort. The design is engineered to offer practicality and protection: the front waist with an elasticated knit profile secured by velcro ensures a secure fit, while the lumbar protector further protects the high back area from the cold. The 3 pockets make them functional and practical, allowing essential tools and items to always be within reach during work. The elasticated back waist improves fit and freedom of movement, while the adjustable leg bottom with a zippered flap closure secured by velcro allows the garment to be adapted to footwear, preventing cold air infiltration. A robust, thermal, and functional pair of bib-trousers, essential for those working in extreme environments and requiring maximum protection and comfort.

DETAILS

- Front waist with an elasticated knitted profile and Velcro closure, for an ergonomic and extremely comfortable fit that facilitates movement;
- Back pocket with Velcro closure, for quick access to everyday items;
- 2 front pockets with flap and Velcro closure;
- High back panel for additional protection from low temperatures;
- Back elasticated waistband, increasing comfort when worn by adapting to different body types;
- Adjustable leg bottom with a zippered opening covered by a flap and Velcro closure, preventing cold air entry and contributing to thermal comfort.

CLOSING

Elasticated adjustable straps with quick-release attachment. Zip covered by flap and buttons.

REFLEX

Leg reflective bands, piping on front pocket edges.
