

LOW TEMPERATURE GARMENTS

OPERA QUARK jacket

MC5334

MATERIALS

100% Nylon Oxford 420 D coated and Thinsulate 3M padding.

GRAMMAGE

150 g/m², padding 150 g/m²

FEATURES

Work jacket specifically designed for refrigeration technicians, ensuring maximum thermal protection. It must be worn in combination with the matching bib-trousers to handle work in environments with temperatures down to -45°C. Thanks to its technical design, it ensures optimal thermal insulation, helping to keep the body warm and dry, retaining body heat and promoting moisture wicking for prolonged comfort. The hood is detachable via snap buttons, allowing the garment to be adapted to different weather conditions. The inside of the collar is finished with faux fur, which ensures warmth and softness without compromising sustainability. The fit is improved by the side elasticated waist, which helps retain body heat. Its 4 pockets make it extremely functional and practical, allowing essential tools and items to always be within reach during work. The cuffs are adjustable with Velcro and feature an inner elasticated knit cuff, ensuring an effective seal against wind and cold.

DETAILS

- Detachable hood with snap fasteners, usable as required to provide protection from weather elements;
- Inner collar in eco-fur, for high and constant thermal comfort, while maintaining sustainability;
- Adjustable cuffs with velcro and an inner stretch knit cuff, prevent the entry of external weather elements and contribute to maintaining thermal comfort, while also offering an ergonomic and comfortable fit;
- Side elastic waistband, increases comfort when wearing the garment, adapting to different body types;
- Inner pocket with velcro closure, ideal for storing small valuables without the risk of them falling out;
- Vertical right pocket with zipper closure and covered by a flap;

- 2 lower pockets with flap and velcro closure, for storing bulkier items.

CLOSING

Zip covered by flap and buttons.

REFLEX

Reflective bands on front and back shoulders. Reflective piping on chest, shoulder yoke, and pocket edges.
