<b>Name: FLAME RETARDANT jacket</b>	<b>Code: MC5414H5</b>	<b>MC54 CLOTHING - FLAME RETARDANT SERIES</b>
-------------------------------------	-----------------------	---

Jacket in 100% Flame Retardant cotton fabric, weight 315 g/m . It features a Chinese collar fastened with Velcro to protect the neck. Concealed front zipper closure with metal snap buttons; two side pockets and one chest pocket all with flaps and snap buttons, elasticated cuffs.

- It features remarkable multi-protective properties and is able to guarantee a high level of comfort while maintaining softness, lightness and breathability.
- it withstands up to 25 washes without altering the protective characteristics of the fabric.
- The full range can be produced upon order in orange and red colours.

Suitable for protecting the operator from accidental contact with minor flames, molten metal splashes, low values of convective and radiant heat, and accidental electric contact up to 100 V of short duration.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and it is classified as PPE Cat. II.
