

SUPERTECH SERIES

SUPERTECH polo shirt

MC6215

MATERIALS

Piqué, outer 100% polyester, inner 97% cotton and 3% dissipative fibers.

GRAMMAGE

210 g/m²

FEATURES

Polo shirt made of versatile fabric with flame-retardant treatment, designed to ensure maximum safety for those working in high-risk environments where exposure to multiple hazards is constant. The garment is made with materials that provide antistatic properties. The interior is made of fabric with a high percentage of cotton which, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. Certified Class 2 for high visibility, the garment ensures a medium-high level of visibility in daylight and nighttime conditions, even in the presence of artificial lighting such as vehicle headlights. The closed collar with three covered metal snap fasteners offers enhanced operational safety and a clean finish. The elasticated cuffs ensure a snug fit at the wrist and prevent the entry of dust, debris, or external agents into the sleeve.

DETAILS

- Closed collar with covered metal snap buttons, practical to open and close, sturdy, wear-resistant;
- Cuffs and collar in contrasting color ribbed knit, the cuffs prevent external agents from entering the sleeve.

REFLEX

Double reflective strips sewn on chest and sleeves.
