Store in a cool, dry place, away from heat sources and away from light. Before each use, carry out a visual check to ensure that the device is in perfect condition, undamaged and clean, and replace it if it is not intact. Garments offer protection only for the part of the body actually covered and must therefore be integrated, depending on the intended use, with suitable PPE to protect exposed parts of the body (head, hands, feet). Where necessary, use appropriate respiratory and eye protection. The safety features indicated are only respected if the device is regularly worn and fastened and in perfect condition. Follow the recommended washing instructions.
