TECHNICAL SHEET

NEVADA PLUS SERIES

NEVADA PLUS trousers SUMMER TECH

MC661102

MATERIALS
Gabardine 60% cotton, 40% polyester.

WEIGHT
190 g/m²

FEATURES
Polycotton work trousers, designed to ensure practicality and durability in daily activities. The high percentage of cotton, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising its robustness and mechanical strength. The breathability, lightness, and coolness of the gabardine make the garment ideal for meeting the needs of workers. Particular attention to the finishes ensures its prolonged durability. The 5 pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. The interlocking double seams ensure robustness and durability, making the trousers suitable for intensive use in demanding work environments.

DETAILS
- 2 side pockets, to ensure quick and easy access to smaller items;
- Back pocket closed with flap and velcro;
- Double technical pocket closed with flap and velcro, allowing for storing bulkier items without the risk of them falling out;
- Double interlocking seams, for increased strength and durability.

CLOSING
Button and zipper.
