

NEVADA PLUS SERIES

NEVADA PLUS coat EVOLUTION

MC668302

MATERIALS

Evolution 65% polyester, 35% cotton.

GRAMMAGE

240 g/m²

FEATURES

Work coat made from Evolution fabric, which provides exceptional mechanical strength and vibrant colors that withstand frequent washing. The inclusion of a cotton blend, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising durability and mechanical strength. The garment combines practicality and durability, making it perfect for work environments where reliability and functionality are essential. Its 3 pockets make it functional and practical, enabling you to always keep essential tools and items within reach during work. With a functional design, the cuffs are elasticated, ensuring comfort and preventing the sleeves from hindering movement. On the back, a fixed martingale provides structure and improves the fit, while the back vent ensures freedom of movement. Double-stitched interlocking seams provide durability and longevity, making this garment perfect for intensive use in a professional setting.

DETAILS

- Chest pocket with pen holder, closed with flap and velcro;
- 2 lower pockets, to ensure quick and easy access to smaller items;
- Elasticated cuffs, for an ergonomic and stable fit;
- Fixed martingale, stabilizes the garment's structure;
- Back vent, offers ample freedom of movement;
- Double interlocking seams, for increased strength and durability.

CLOSING

Four buttons covered by a flap.
