TECHNICAL SHEET

BUMP CAP

# VOSS-CAP CLASSIC PLUS

## MD1119V7

### FEATURES

Safety bump cap, durable and lightweight, effectively protects against side impacts without sacrificing comfort. Designed to protect the head from accidental impacts against hard, fixed surfaces, reducing the risk of lacerations or superficial injuries. It provides lightweight comfort and protection in low-risk environments. The internal ABS shell ensures robustness and reliability, while the ventilation holes promote breathability, guaranteeing freshness even during prolonged use. With a brim inspired by a baseball cap, it offers protection and practicality, making it ideal for those seeking a high-performance and comfortable device.

### WEIGHT

185 g

### DETAILS

- 65% cotton, 35% polyester;
- ABS inner shell offers high impact resistance and reliable protection, while keeping the cap lightweight;
- Ventilation holes ensure breathability and comfort even during prolonged use;
