Quantity/Carton 20	EC Standards EN 397 EN 50365 Class:0	Important Information Store in a cool, dry place, away from heat sources and away from light. Before each use, check that the helmet is in perfect condition, that there are no significant defects on the surface of the shell, such as cracks, splits, deep abrasions, colour changes or dents; if it is not intact, replace it. Clean all components regularly with neutral detergent or disinfectant and warm water. Avoid direct contact with alcohol or solvents that could damage the device.
